

WOW! moving checklist

- Forward your mail during your move and update your address with the postal service.
- Transfer or cancel your energy service and schedule a start date at your new home.
- Arrange for a final water meter reading/billing at your old residence.
- Cancel or transfer your trash/recycling services at your old home and make sure you're signed up at your new residence.
- Before you leave for the last time, check all closets and drawers for small items that may have been overlooked.
- Call WOW! to schedule a transfer or upgrade of your Internet, Cable and Phone services!
