Final rankings will be announced at an awards dinner at the Indiana Convention Center on May 1.

Top companies in the state were determined through employer reports and comprehensive employee surveys. The Best Companies Group, which handled the selection process, oversees similar programs in 23 other states.

WOW! System Manager Matt DeMuro said, "WOW! wholeheartedly believes that our customers are best served by employees who feel supported and motivated to do their best. We work to create that environment every day, and it's an honor that those efforts have been confirmed again with this prestigious award."

Winners were selected in four size categories. WOW! is recognized among a select group of major companies with 1,000 or more U.S. employees. Out-of-state parent companies with an Indiana facility and at least 15 Indiana employees were eligible to participate.
