

WOW!‘s 1 Gig Internet Speeds Now Available in Mid-Michigan

Leading broadband provider brings its fastest download speeds to customers in Lansing and Potterville

LANSING, Mich. – December 02, 2021 – [WOW! Internet, Cable & Phone](#) (NYSE: WOW), a leading broadband services provider, today announced the availability of its 1 gigabit high-speed data (HSD) Internet to most residential and business customers in its mid-Michigan market, including service areas in Lansing and Potterville. With Fiber-to-the-Neighborhood connectivity, subscribers can now enjoy one of the fastest broadband experiences available.

The COVID-19 pandemic has only further reinforced WOW!‘s commitment to bringing its 1 Gig speeds to customers across its entire footprint. More than ever, businesses, telecommuters, students and everyone in between need a reliable Internet connection, with 90 percent of adults saying the Internet has been essential or important to them during the [Pew Research Center](#).

“For most people across the country, having access to a fast and reliable Internet connection is essential to their everyday life, especially these days,” said Teresa Elder, CEO of WOW!. “We are thrilled to be able to bring our fastest Internet speeds to our mid-Michigan service area and give our customers even more choices for how they connect to what matters to them most.”

When paired with the appropriate equipment and 1 Gig-compatible devices, a 1 Gig (1,000 Mbps) Internet connection can power all your connected devices, handle multiple users at a time and stream movies, games and music at incredibly fast speeds - just in time for holiday guests to arrive.

WOW!‘s 1 Gig speeds are already available to nearly all of its customers across its 14 markets. Prospective customers in Mid-Michigan can learn more about upgrading to 1 Gig speeds by visiting <https://www.wowway.com/internet>.
