**Englewood, Colo. – October 12, 2022** – [WOW! Internet, Cable & Phone](#) (NYSE: WOW), a leading broadband services provider, today announced the company has made a \$30,000 donation to the American Red Cross to support their Hurricane Ian relief efforts across Florida.

This donation to the Red Cross will help keep shelters open and emergency response vehicles stocked with needed supplies. WOW! has customers, employees and facilities in Pinellas County and Tampa, communities that were severely impacted by flooding, wind damage and power outages. In Seminole County and Orange County, where the company has recently begun or will begin construction of its all-fiber network, significant rainfall caused flooding that damaged homes and businesses.

“Our hearts go out to our neighbors and friends affected by this historic and deadly storm,” said Teresa Elder, CEO at WOW!. “We know the cleanup and rebuilding will take months and we are fully committed to working with the community and organizations like the Red Cross to help local residents and businesses recover.”
